WEINBERG VILLAGE RESIDENTS WATCH MOVIES IN THEATRE SETTING RIGHT IN THE COMFORT OF THEIR OWN HOME

Tampa, FL: Thanks to the initiative of Board of Manager member, Vanessa Cohn, Esquire and a generous donation from the law firm of Arnstein & Lehr LLP, Weinberg Village now boasts the latest in technology with a state of the art Media Room. The law firm where Ms. Cohn works donated the funds making it possible for Weinberg Village to install a complete audio visual system. The Media Room features a 12' movie screen, a High Definition projector, state-of-the-art surround sound system, a cable box allowing residents to watch special events in High Definition, and a WiFi ready Blu-Ray DVD player. "I enjoy going to the movies and this will give us the opportunity to watch films and eat popcorn with a theatre like environment in our own home," said Ricky, a resident at Weinberg Village.

For Weinberg Village residents, the media room offers an exceptional audio visual experience. "The quality of the picture and sharpness of sound is unbelievable," said Sol. "And, I am going to enjoy watching sports on this giant screen," he added. Many residents enjoy getting on the Weinberg Village van and going to the movies on a weekly basis. Now, Weinberg Village can also bring that great theatre experience to

them. “It’s important to have dedicated activity spaces that provide entertainment, relaxation and comfort. The Media Room encourages the residents to join in a group activity and share an experience,” remarked Lindsay Woods, Activities Director at Weinberg Village. “The residents, Board of Managers, and staff are very grateful to Arnstein & Lehr LLP for the generous donation and making it all possible. This is a donation that will keep on giving – each time we use it,” said Dan Sultan, Executive Director.

About Weinberg Village:

The mission of Weinberg Village is to enhance the quality of life of their residents by providing quality care in a homelike environment sensitive to Jewish culture and values.
