

# We looked at many properties in the Tampa Bay area...

Estella Kerstein (on the right) and her dear friend Edith Listman

When our mother decided she wanted to move to an assisted living residence we began our search and discovered there are many choices for senior housing. From the first time we walked into this beautiful community and saw all the amenities, services, activities and for ourselves the love and compassion the staff had for the residents, we were sold.

## Hands down it was Weinberg Village that won us over all of them!
